Deputies' Meeting

Monday, 22 September 1952

PRESENT: General Smith, Messrs. Wisner, Becker, Hedden, Col. White, Mr. Earman

HR70-14

General Smith:

S. 9-26.52
a. Raised the question of a proposed change in Chinese law which would affect the operations of CAT and asked Mr. Wisner to discuss this matter with Mr. Hedden.

Mr. Wisner:

a. Reported that Gordon Dean had briefed the President on a certain matter. The Director stated he was aware of this and briefly outlined the President's policy in this regard which is contained in a separate memorandum for the record, copy of which has been furnished DD/P. /
original of which is in sealed envelope in JSE's safe.

c. Reported that word had been received that there was indication of Communist penetration of some of our activities in Korea and orders had been issued to cease one activity in particular until a full investigation had been made.
